

GDPR Privacy Policy of TechGMedia

I. Introduction

TechGMedia is committed to conducting its business in accordance with all applicable General Data Protection Regulation and in line with the peak standards of ethical conduct. This policy details expected behaviors of TechGMedia's Employees and Third Parties in respect to the collection, use, retention, transfer, disclosure, and destruction of any Personal Data belonging to TechGMedia's Customers and Staff (i.e., the Data Subject) and regardless of the media used to store the data.

The General Data Protection Regulation (GDPR) is an EU legislature that objects to giving the citizens of the EU better power and authority over their data. Under this by-law, organizations that handle statistics of EU citizens must obey data and privacy instructions.

One of the key necessities in line with the GDPR is changes to the Privacy Policy has been accepted and updated by TechGMedia to reflect GDPR requirements. We also abide by its key law i.e., to help EU citizens informed of how industries gather, use, share, protect and process their personal data.

TechGMedia

TechGMedia means <http://techgmedia.com/>

GDPR

General Data Protection Regulation Act.

Data Controller

Data Controller means the person who (either alone or jointly or in common with other persons) regulates the purposes for which and the manner in which any personal data or information are, or are to be, processed.

Data Processor

Data Processor means the person who processes the data on behalf of the Data Controller.

Data Subject

Data Subject means the person who uses our Service and is the subject of Personal Data.

III. Principles for Processing Personal Data

Our principles for processing personal data are:

Fairness and Lawfulness. Once we process personal data, the individual rights of the Data Subjects must be protected. All personal data must be collected and processed in a legal and fair manner.

Restricted to a Specific Purpose. The personal data of the Data Subject must be processed only for specific purposes.

Transparency. The Data Subject must be informed of how his/her data is being collected, processed, and used.

IV. What Personal Data We Collect and Process

TechGMedia collects several different types of personal data for various purposes. Personal Data may include, but is not limited to:

- Email address
- First name and last name
- Phone number
- Address, State, Province, ZIP/Postal code, City

V. How We Use the Personal Data

TechGMedia uses the collected personal data for various purposes:

- To provide you with services
- To notify you about changes to our services and/or products
- To provide customer support
- To gather analysis or valuable information so that we can improve our services
- To detect, prevent and address technical issues

VI. Legal Basis for Collecting and Processing Personal Data

TechGMedia legal basis for collecting and using the personal data described in this Data Protection Policy depends on the personal data we collect and the specific context in which we collect the information:

- TechGMedia needs to perform a contract with you
- You have given TechGMedia permission to do so
- Processing your personal data is in TechGMedia legitimate interests
- TechGMedia needs to comply with the law

VII. Retention of Personal Data

TechGMedia will retain your personal information only for as long as is necessary for the purposes set out in this Data Protection Policy.

TechGMedia will retain and use your information to the extent necessary to comply with our legal obligations, resolve disputes, and enforce our policies.
